Snatch

Author's Notes:
My very first drabble :)

A puff here, a puff there, just another fix until the need comes back.

My willpower pushed to the limit, resisting the urge to watch him wave around a freshly lit cigarette.

Taunting me to take it, to have it perched on my lips.

Distracted by non-stop questions from the audience, my arm traveled the familiar path across his chest and onto his lap.

Just like that, it was mine. Nary a flinch, preferring to mask his usual smile with a stone face.

He was going to punish me, that was for sure. Handcuffs? Ropes?

I quivered in anticipation.
